Chu (the “Sponsor”).

ITEM 4. PURPOSE OF THE TRANSACTION

Mr. Foley and Mr. Chu founded the Issuer on February 26, 2016 and began serving as its Co-Executive Chairmen on April 16, 2016.

Securities Subscription Agreement

On March 2, 2016, the Issuer issued to the Sponsor an aggregate of 2,875,000 Class B ordinary shares (“founder shares”) in exchange for a capital contribution of \$25,000 pursuant to a securities subscription agreement, dated as of February 29, 2016 (the “Securities Subscription Agreement”). The foregoing description of the Securities Subscription Agreement is qualified in its entirety by reference to the Securities Subscription Agreement, which is attached hereto as Exhibit 1.

Letter Agreement

On May 19, 2016, the Sponsor, Mr. Foley and Mr. Chu agreed, pursuant to a letter agreement with the Issuer (the “Letter Agreement”) not to transfer, assign or sell any of their founder shares until the earliest of (a) one year after the completion of the Business Combination with respect to 50% of their founder shares, (b) two years after the completion of the Business Combination with respect to the remaining 50% of their founder shares, and (c) the date on which the Issuer completes a liquidation, merger, share exchange or other similar transaction after an initial business combination that results in all of the Issuer’s shareholders having the right to exchange their ordinary shares for cash, securities or other property. The foregoing description of the Letter Agreement is qualified in its entirety by reference to the Letter Agreement which is attached hereto as Exhibit 2.

Private Placement Warrants Purchase Agreement

On May 25, 2016 and June 29, 2016, the Sponsor purchased from the Issuer an aggregate of 15,800,000 private placement warrants pursuant to the terms of a private placement warrants purchase agreement, dated as of May 19, 2016 (the “Private Placement Warrants Purchase Agreement”). Each private placement warrant entitles the holder to purchase one ordinary share at \$11.50 per share. The private placement warrants (including the ordinary shares issuable upon exercise of the private placement warrants) are not be transferable, assignable or salable until 30 days after the completion of the Business Combination, and they will be non-redeemable so long as they are held by the initial purchasers of the private placement warrants or their permitted transferees. Otherwise, the private placement warrants have terms and provisions that are identical to those of the warrants sold as part of the units in the Issuer’s initial public offering and have no net cash settlement provisions. The foregoing description of the Private Placement Warrants Purchase Agreement is qualified in its entirety by reference to the Private Placement Warrants Purchase Agreement which is attached hereto as Exhibit 3.

Registration Rights Agreement

On May 19, 2016, the Issuer and the Sponsor entered into a registration rights agreement (the “Registration Rights Agreement”) which provides for registration rights for the holders of the founder shares, private placement warrants and note warrants (as defined below). These holders are entitled to make up to three demands, excluding short form registration demands, that the Issuer register such securities for sale under the Securities Act. In addition, these holders have “piggy-back” registration rights to include their securities in other registration statements filed by the Issuer. However, the registration rights agreement provides that the Issuer will not permit any registration statement filed under the Securities Act to become effective until termination of any applicable lock-up period relating to such securities. The foregoing description of the Registration Rights Agreement is qualified in its entirety by reference to the Registration Rights Agreement which is attached hereto as Exhibit 4.

Forward Purchase Agreement

On April 19, 2016, the Issuer entered into forward purchase agreements pursuant to which certain investors (the “anchor investors”) agreed to purchase an aggregate of 51,000,000 ordinary shares (“forward purchase shares”) plus an aggregate of 19,083,333 redeemable warrants (“forward purchase warrants”) in a private placement which occurred concurrently with the closing of the Business Combination (as defined below).

Among such forward purchase agreements, the Issuer entered into a forward purchase agreement with BilCar (the “Forward Purchase Agreement”) providing for the sale of 2,750,000 ordinary shares and 916,667 redeemable warrants for an aggregate purchase price of \$10.00 per ordinary share, or \$27,500,000. In connection with the Forward Purchase Agreement, the Issuer issued to BilCar 202,206 founder shares for \$0.002 per share.

Pursuant to the forward purchase agreements, the Issuer agreed to use its commercially reasonable efforts (i) to file within 30 days after the closing of the Business Combination a registration statement with the SEC for a secondary offering of the forward purchase shares and the forward purchase warrants (and underlying ordinary shares), (ii) to cause such registration statement to be declared effective promptly thereafter and (iii) to maintain the effectiveness of such registration statement until the earliest of (A) the date on which the anchor investor ceases to hold the securities covered thereby, (B) the date all of the securities covered thereby can be sold publicly without restriction or limitation under Rule 144 under the Securities Act and (C) the second anniversary of the date of effectiveness of such registration statement, subject to certain conditions and limitations set forth in the forward purchase agreements.

The foregoing description of the Forward Purchase Agreement is qualified in its entirety by reference to the Forward Purchase Agreement which is attached hereto as Exhibit 5.

On April 19, 2016, the Sponsor surrendered 718,750 founder shares to the Issuer for no consideration and the Issuer issued 718,750 founder shares to the anchor investors for \$0.01 per share pursuant to the forward purchase agreements.

On April 21, 2016, the Issuer effected a pro rata share capitalization resulting in an increase in the total number of founder shares outstanding from 2,875,000 to 15,000,000, resulting in the Sponsor holding 11,250,000 founder shares and BilCar holding 202,206 founder shares.

On May 24, 2017, the Issuer entered into an amendment (the “FPA Amendment”) to the Forward Purchase Agreement, pursuant to which BilCar agreed, among other things, to add FGL as a third party beneficiary of the Forward Purchase Agreement, to prohibit assignments and amendments of the Forward Purchase Agreement without FGL’s consent and to entitle FGL to specific performance of the Forward Purchase Agreement. The foregoing description of the FPA Amendment is qualified in its entirety by reference to the FPA Amendment which is attached hereto as Exhibit 6.

On November 30, 2017 (the “Closing Date”), pursuant to the terms of the Forward Purchase Agreement, BilCar purchased 2,750,000 ordinary shares at a purchase price of \$10.00 per share from the Issuer and received 916,667 private placement warrants from the Issuer.

Business Combination

Nomination and Voting Agreement

On the Closing Date, the Issuer entered into a nominating and voting agreement (the “Nominating and Voting Agreement”) with Mr. Foley, Mr. Chu and Blackstone Tactical Opportunities Fund II L.P. (“BTO”) (collectively, the “Voting Agreement Parties”).

Pursuant to the Nominating and Voting Agreement, if the Voting Agreement Parties and their respective affiliates own, in the aggregate, directly or indirectly, at least 20% of the issued and outstanding ordinary shares, the Voting Agreement Parties will have the right to designate one director nominee for election at each general meeting of the Issuer.

If the Voting Agreement Parties and their respective affiliates own, in the aggregate, directly or indirectly, at least 12% but less than 20% of the issued and outstanding ordinary shares (the “Two Director Range”), the Voting Agreement Parties will have the right to designate one director nominee for each of the two director classes (the “Two Director Classes”) to be voted on at the two general meetings of the Issuer immediately after the aggregate ownership of ordinary shares comes within the Two Director Range and for each subsequent meeting at which one of the Two Director Classes is to be voted on by the shareholders, provided that such aggregate ownership remains within the Two Director Range at the time of each such nomination.

If the Voting Agreement Parties and their respective affiliates own, in the aggregate, directly or indirectly, at least 5% but less than 12% of the issued and outstanding ordinary shares (the “One Director Range”), the Voting Agreement Parties will have the right to designate one director nominee for the class of directors (the “One Director Class”) to be voted on at the general meeting of the Issuer immediately after the aggregate ownership of ordinary shares comes within the One Director Range and for each subsequent meeting at which the One Director Class is to be voted on by the shareholders, provided that such aggregate ownership remains within the One Director Range at the time of each such nomination.

Director nominees selected under the Nominating and Voting Agreement will be selected by the vote of any two of Mr. Foley, Mr. Chu and BTO.

In addition, pursuant to the Nominating and Voting Agreement, each of Mr. Foley, Mr. Chu and BTO agreed to vote for each director so nominated.

The foregoing description of the Nomination and Voting Agreement is qualified in its entirety by reference to the Nomination and Voting Agreement which is attached hereto as Exhibit 7.

By virtue of the Nominating and Voting Agreement, Mr. Foley, Mr. Chu and BTO may be deemed to comprise a “group” within the meaning of Section 13(d)(3) of the Securities Exchange Act of 1934, as amended (“Section 13(d)(3)”). As of the date hereof, 13,840,390 ordinary shares and 9,566,667 warrants are directly held by CC Capital. Mr. Chu is the managing member and controlling owner of CC Capital and as such may be deemed to beneficially own all of the securities held directly by CC Capital. As of the date hereof, 43,266,906 ordinary shares and 6,250,000 warrants are directly held by BTO and its affiliates. The aggregate beneficial ownership of 96,331,020 ordinary shares (including warrants) for such “group” is 40.2%, assuming the exercise of all warrants held by members of the “group.” Each of the Reporting Persons hereby expressly disclaims any beneficial ownership of any securities of the Issuer owned by each of Mr. Chu, CC Capital and BTO and its affiliates.

Convertible Note

On November 29, 2017, the Issuer issued a convertible promissory note (the “Convertible Note”) to the Sponsor in the amount of \$1,500,000 in respect of advances made by the Sponsor from time to time for the Issuer’s ongoing expenses.

The Convertible Note was non-interest bearing and became payable upon the completion of the Business Combination. Under the terms of the Convertible Note, the Sponsor had the option to convert any amounts outstanding under the Convertible Note into warrants to purchase ordinary shares of the Issuer at a conversion price of \$1.00 per warrant. On November 29, 2017, the Sponsor elected to convert all amounts outstanding under the Convertible Note, or an aggregate of \$1,500,000, into 1,500,000 warrants (the “note warrants”). Each note warrant entitles the holder to purchase one ordinary share of the Issuer at an exercise price of \$11.50 per share, commencing 30 days after the completion of the Business Combination, and contains such other terms identical to the private placement warrants. The foregoing description of the Convertible Note is qualified in its entirety by reference to the Convertible Note which is attached hereto as Exhibit 8.

Sponsor Distribution

On November 29, 2017, the Sponsor distributed all of its founder shares, private placement warrants and note warrants to its members, except for 30,221 founder shares which were transferred to the Issuer’s independent directors. Mr. Foley received 4,585,875 founder shares, 8,650,000 private placement warrants and 1,500,000 note warrants pursuant to this distribution in Mr. Foley’s capacity as a member of the Sponsor. As a result, the Sponsor no longer directly or indirectly owned any securities or derivative securities of the Issuer. Immediately prior to this distribution, the Sponsor forfeited 2,048,030 founder shares to the Issuer.

Founder Shares Conversion

On the Closing Date, the founder shares automatically converted into ordinary shares pursuant to the terms of the Issuer’s amended and restated memorandum and articles of association, subject to certain adjustments. The holders of the founder shares entered into a waiver letter on the Closing Date (the “Waiver Agreement”) pursuant to which such holders agreed to waive such conversion adjustment rights with respect to any ordinary shares issuable pursuant to such adjustment in excess of 30,000,000 ordinary shares pursuant to such conversion. The foregoing description of the Waiver Agreement is qualified in its entirety by reference to the Waiver Agreement which is attached hereto as Exhibit 9.

The Preferred Voting Agreement also imposes limits on the parties’ ability to transfer their ordinary shares pending a shareholder vote, and on their ability to participate in tender, exchange or similar offers in certain situations. The foregoing description of the Preferred Voting Agreement is qualified in its entirety by reference to the Preferred Voting Agreement which is attached hereto as Exhibit 10.

By virtue of the Preferred Voting Agreement, BilCar and CC Capital, the GSO Funds, FNF, FNTIC, CTIC and CLTIC (such parties other than the Reporting Persons, the “Other Parties”), which Other Parties are not Reporting Persons on this Schedule 13D, may be deemed to comprise a “group” within the meaning of Section 13(d)(3). As of the date hereof, 13,840,390 ordinary shares and 9,566,667 warrants are directly held by CC Capital.
